**EXAMPLE SCREENPLAY (MARKDOWN)**

**INT. KITCHEN - DAY**

The morning sun cuts through blinds, striping the small kitchen with light. A kettle clicks.

ALEX

(whispering)

We can't keep pretending this is normal.

JORDAN

We stopped being normal a long time ago.

CLOSE ON

THE KETTLE SWITCH. IT CLICKS OFF.

**EXT. CITY STREET - LATER**

A bustling street. Car horns. A bus groans to a stop.

ALEX

I have a plan.

JORDAN

(skeptical)

You always have a plan.

CUT TO:

**INT. GARAGE - NIGHT**

Dust floats in single beams from the ceiling lights. Tools hang like bones.

ALEX

Okay. Step one: Don't freak out.

JORDAN

(already freaking out)

Too late.

Example Screenplay

**INT. GARAGE OFFICE - MOMENTS LATER**

Alex pushes open a creaky door. Papers flutter.

ALEX

Found it.
